MOORE'S CREEK, New Hanover, }
Sept. 20th, 1850.
Bro. GORMAN: According to previous notice, a proportion of the citizens of Black River, assembled for the purpose of forming a Division of the Sons of Temperance. There were several brethren from the neighboring Divisions in attendance. Bro. G. W. Wallace, a member of the G. D., delivered quite an entertaining and instructive lecture, after which the following officers were elected and installed, Chas. Henry, w. p., James Kerr, w. s., N. H. Murphy, f. s., P. McDuffie, f. s., L. Register, t. J. M. Corbett, c. P. F. Alderman, s. C. E. Turlington, i. s., W. J. Whitfield, o. s. Thus closed the opening of Black River Division, No. 113. We have now six flourishing Divisions in New Hanover, with the expectation of soon increasing the number. We meet with much opposition, but public opinion has recently become so strong in our favor that we indulge the hope that the darkest period in our glorious cause is passed. Your excellent paper is doing great good in this country. I send you five new subscribers, press on; let your motto ever be, "press on."
MOORE'S CREEK.

GATESBURG, Oct. 4, 1850.
Bro. GORMAN: On Tuesday last the 1st inst., assisted by J. M. Moody, T. Copell, W. W. Lee and P. K. Garner of Chatham Division, I organized Invincible Division, No. 184. The following officers were elected and duly installed for the present quarter, viz: U. Jordan, W. P., Wm. Carstarphow, W. A., T. J. Garner, R. S., John F. Sikes, A. R. S., S. M. Garner, F. S., W. G. Jordan, T. G. A. Harding, C. T. P. Mayes, A. C., Benj. Melton, I. S., J. R. Wiggins, O. S. From the zeal manifested by the brethren of this Division and being situated in a portion of country where there is a wide field open for operation, I doubt not they will accomplish much, for the good of our cause.
On yesterday the 2nd inst., assisted by Bro. Pierce and other brethren of Quinkey Division, I organized Choctaw Division, No. 186, situated in Weldon. The following officers for this Division were elected and duly installed, viz: John Campbell, w. p., James Simmons, w. s., J. F. Crump, f. s., J. L. Bass, t. E. N. Peterson, c. J. H. Sumner, s. c. O. M. Grimsley, i. s., Saml. A. Weldon, o. s. This Division is located at the termination of the Petersburg, Wilmington and Portsmouth Rail Roads, owing to its easy access by Rail Roads and its room for meeting, being in the 4th or 5th story of one of the largest buildings in the town; it is a fine place for a meeting of the G. Division. With such men as compose this Division, the friends of Temperance need not fear the result.
Yours, in L. P. & F.

WHEREAS, We have learned that the National Division at its recent session, made an alteration in our obligation, rendering thereby the whole obligation, "binding to the end of life," be it
Resolved, That we herewith enter our firm and decided protest against such alteration, believing it entirely different from the construction intended by the founders of our Order, and being fully convinced that it will prove, if carried into effect, an almost insurmountable barrier to the further success of our Order.
At a meeting of Cedar Creek Division, held on the 28th September, the above Preamble and Resolution were unanimously passed, and ordered to be sent to you for publication.
E. R. LILES, R. S.

ARMEMARLE, Oct. 4th, 1850.
Bro. GORMAN: The following Resolutions were adopted by our Division:
Resolved, That we regard our pledge as the connecting link in the chain which binds us to the Order of the Sons of Temperance.
Resolved, That any alteration of the pledge, or any alteration affecting the true intent and meaning of the same, is not binding on any member of the Order who took upon himself the original pledge.

Resolved, That we regard the National Division as the supreme jurisdiction of the Sons of Temperance, in all things pertaining to the rules and usages of the Order; yet we do not recognize in that body the right to make any change affecting the fundamental principles of the Order, more especially our pledge, which we consider as the corner stone of the Order.
Resolved, That we require our Representatives to the Grand Division to observe the principles set forth in these Resolutions.
Resolved, That a copy of these Resolutions, attested by the R. S. be sent to the Spirit of the Age, with a request that they be published.
Yours, in L. P. & F.

Bro. GORMAN: The following Resolutions were unanimously adopted at a regular meeting of the Sons of Temperance, and requested to be sent to the Spirit of the Age, for publication.

J. H. ALLEN, R. S.
We the Committee to whom was referred the writing of a protest against an act of the N. D. in the course of the words, "in this respect" from our obligation, beg leave to submit the following to the Division:
WHEREAS, We have heard complaint among some of the members of our Order about the change made in our obligation at the recent session of the N. D. of the S. of T., held in the city of Boston, resolved by a vote of 91 to 12, to erase the words "in this respect" from our obligation, thereby rendering the pledge binding in all its phases to the end of life; and whereas we look upon this as a radical alteration of the principles of the Order since our connection with it; therefore,
Resolved, That we, with all due deference to the act of the N. D. enter our solemn protest against the act, yet at the same time cherishing the highest regard for the parent institution and the permanence of the Order in general.

Resolved, That we, as an auxiliary Division, intend to give the Order our zealous cooperation in the advancement of the great and grand object, hoping at the next convention of the N. D. that they will reconsider the act, and resume the former words or give us an expression of their object.
Resolved, That as we have heard of some Divisions which have surrendered their charters, that we most earnestly desire no more to follow their example, but press forward with accelerated zeal in the mighty work which lies before us, and let us see if we cannot sweep the hydra-headed monster from the land.
Resolved, That we most earnestly solicit the Grand Division of the State, to exert her influence in the N. D. in carrying out our desire.

Dr. W. D. WHITTED, } Com.
J. H. ALLEN, R. S.

The undersigned Committee appointed to take into consideration the action of the last National Division, in changing the obligation of the S. of T. by erasing the words, "in this respect" as now laid down in our B. B. and report to this Division for their action, beg leave respectfully to submit the following Report:
1st. That we love the principles of our glorious Order because their tendency is to "elevate our characters as men, and save us from the evils of intemperance;" and while we recognize the N. D. as the head of the Order, and cheerfully abide by the decisions and regulations it may adopt for the advancement and prosperity of the Order, and in fulfillment of its glorious mission to diffuse the principles of Temperance, Benevolence and Brotherly-love, throughout the world, yet we do consider the action of the late session of the National Division, in erasing from our obligation the phrase, "in this respect," thereby changing materially said obligation, as a violation of the solemn engagement it has made never to alter or change the fundamental principles of the Order, and we protest against it as *ex post facto* in its operation, and calculated to sow the seeds of dissension and disaffection in our ranks and hinder and obstruct the advancement and prosperity of our glorious cause.

2d. That our Representatives in the next Grand Division be instructed to lay these resolutions before that body.
3d. That our R. S. forward a copy of these resolutions to the Editor of the Spirit of the Age for insertion in that paper.
All of which is respectfully submitted.
DAN L. S. HILL, Ch'm.
I certify the above proceedings of Washington Division, No. 27, S. of T. 1st October, 1850, to be correct.

PINEVILLE DIVISION, Richmond Co.
GENTLEMEN: Your respected manifesto has been received and duly considered. You wish an expression of our views upon the propriety of asking Legislative aid in behalf of the cause of temperance. We beg leave to dissent, in the main, from the general tenor of your sentiments, as expressed in your Circular, from reasons in our opinion manifold, and perfectly conclusive. In the first place, to state our convictions of the most proper, equitable and effectual mode of operation in furthering this great cause, we would observe that it is a great moral reformation, destined in its onward progress and rapid sway to affect man mentally, morally and physically,—a scheme gotten up by philanthropists and Christians, more sure in its effects, extensive in its operations and efficacious in its ultimate consequences, than the old, commendable, yet difficult mode for the amelioration of man's condition, and his restoration and delivery from the tyrannical thralldom of King Alcohol. We are opposed to Legislative interference, because it would certainly accomplish nobler purposes, if left free to combat error alone, and single handed, unaccompanied by Legislative enactments, or penal Statute. This soothing balm for

the mitigation of pain, and the alleviation and abatement of distress, and the utter extermination of a calamity so extended and dreadful, should be presented to the American people through its own individual merits, and left at their discretion to accept of the proffered offer, voluntarily, and of their own accord, or reject it at their own hazard. Keep it aloof from the perplexing whirlpool of politics, and the whim and caprice of heated and interested partisans. Keep it out of the Legislature and it will succeed. The eternal and immutable principles of right and justice are embodied in this offer, and if enforced by reason, its adaptation and fitness for the object in view—explained and expounded by able and zealous Sons of Temperance, the people seeing its efficacy, and its wonderful effects, will eagerly seize it, as the only antidote to this destructive and pernicious vice, that stalks through the land with such unlimited power, and unbounded carnage.

We are opposed to hazarding its success by experimenting upon the effects of Legislative assistance. It has already gained a stronghold in the affections of the people—has taken root in a soil fertile and exuberant, and is now budding forth for the harvest. Hazard not an abundant yield by untimely and injurious interference. Let the growing crop ripen and mature, and an "hundred fold" will be reaped. Leave it with the people—leave it to reason, and moral suasion—leave it to judgment matured, experience ripened—expounded by reason, and advocated by common sense, and it will sweep like a tornado through the land, overpowering and crushing its opponents, by the fervid heat of its glow, and the vehemence of its rapid revolutions. Let the people, actuated by motives of personal good, choose it of their own accord and free agency, and then in a few years the dram shop will be closed, and the rum seller will vanish and disappear, expelled by the force of public indignation. The poor inebriate will be restored to health and prosperity—our country will wear a face of peace, and the national escutcheon will be thrown to the breeze, unstained by a vice so deadly and pestilential. It remains then, in our humble estimation, for the Order to effect this "glorious consummation" within itself. Let us all buckle on our armor, and throwing around us the sacred mantle of our Order, march forth, independent and above board, trusting to the righteousness of our cause—the cause of our country, the cause of our fellow men, the cause of our God.

JONES COUNTY, Sept. 13, 1850.
At a meeting of Tuckahoe Division, No. 140, of the Sons of Temperance, the following Resolutions were unanimously adopted, as a token of respect for the memory of the Rev. JOHN JARMAN, Chaplain of this Division, who died on the morning of the 28th ultimo:
WHEREAS, by the over-ruled and all-wise providence of God, our highly esteemed brother, John Jarman, Chaplain of this division, has been taken from among us by the hand of death, and feeling desirous of expressing a due sense of the loss we have sustained, as well as a testimony of our brotherly love and regard, therefore:
Resolved, That in the life and character of our worthy brother, we view a striking instance of the good and quiet citizen, the kind, affectionate, and industrious husband, and father, the self-denying, liberal-minded, meek and pious Christian, and the faithful and devoted proclaimer of the gospel of Christ, and possessing, in an eminent degree, that amiable disposition and affability of deportment so requisite to the Christian minister, he won the love and esteem of all who knew him.
Resolved, That, although we sincerely lament the loss we have sustained by the death of our worthy brother, yet we are consoled by the reflection, that, for him, it was far better to depart and be with Christ.
Resolved, That we cordially sympathize with the relations and friends of the deceased, in their bereavement.
Resolved, That we wear the usual badge of mourning for thirty days.
Resolved, That a copy of these Resolutions be tendered to the family of our deceased brother.
Resolved, That a copy of these Resolutions be sent to the Communicator for publication, and that the Spirit of the Age be requested to copy.

A PARAGRAPH ON MATRIMONY
The Matrimonial market, writes a contemporary, has been very uneasy. Liberal offers being now very difficult to obtain, has caused acceptance to be had at a very great discount. Kisses are in great demand, having the week past met with favorable returns.
Nothing much doing in matrimonial vows, so that time bargains may now be settled without much difficulty. Heavy purses are much enquired for. Sly squeezes are very brisk. Blushes are scarce, none having been seen at the market for a length of time. Jealousy is rising considerably. Other stocks remain as before, with the exception of scandal, which is considerably on the increase.

A SUNDAY IN PHILADELPHIA—Terrible riots were the order of the day in Philadelphia on Sunday. There were no less than four, in one of which a murder was committed, and probably the same was done in a second; besides which two highway robberies are recorded, and some minor outrages.

News of the Day.

LATEST FROM ENGLAND.—The Cambria has brought Liverpool dates to the 21st ult.
Cotton has risen a half penny a lb. and the sales of the week were 67,000 bales. Fair Uplands 8d. Stock now on hand 451,000 bales. This rise is owing to the accounts of short crop from this country. Coffee also had advanced.

ENGLAND.—It is stated, on authority of the correspondent of the London Herald, under date Paris, Thursday evening, that arrangements are on foot between Spain on the one side, and England and Holland, on the other, by which Spain, on condition of having Cuba protected by the joint action of these Powers, engages to pay the debt due by her to English and French creditors.
No other news of interest.

MARYLAND ELECTION.—The Democratic candidate for Governor has been elected by a majority of about 1500. This is no change, the present Governor being of the same party.

LOUISIANA.—The Hon. Henry Johnson, late Whig U. S. Senator from Louisiana, has been elected to Congress in place of Mr. Conrad, appointed Secretary of War, beating Mr. Bullard, the regular whig candidate.

Among the confirmations of appointments at the close of the late session, was that of Mr. Barringer, Minister to Spain. Also, Many U. S. officers for California, and Utah.

The appointment of Jas. W. Osborne, Esq. of Charlotte, as Superintendent of the Branch Mint in this State, was also confirmed.

IOWA SPECIAL ELECTION.—A letter from Des Moines, Iowa, to the Philadelphia Inquirer, says:—

"I have just received intelligence that the whigs have carried the Second Congressional District, of which Miller was a contestant with Thompson for a seat in the House last Spring, and the House refused to allow either to sit. This is a decided whig victory."

NEW POST OFFICES.—A new Post Office has been established at Maple Hill, Davidson county, Wm. D. Wood, P. M.; also, at Peters Creek, Stokes county, David Hall, P. M.

TEXAS.—There appears to be no doubt that Texas will gladly accept the Boundary Act which passed Congress.

NEW ORLEANS, Oct. 2.—The Steamer Alabama, has arrived from Chagres. She brings dates from San Francisco to the first of September. She has 110 passengers.

Peace has again been restored in Sacramento City. [This leaves the inference that the report of the city having been burnt down was erroneous.]

Col. Wilson, the Special Government Messenger to Texas, has returned. He says that Governor Bell intends issuing a proclamation submitting to the popular vote the general proposition, as soon as Col. Lewis arrives with the official news of the passage of the bill. The vote will probably be taken about the 1st of November.

THE OBERDUNK CASE.—The day before the meeting of the General Episcopal Convention at Cincinnati, on Wednesday, the House of Bishops were in secret session, and it is understood (says a dispatch) that they have the case of Bishop Oberdunk under discussion.

A HOME THRUST.
The late Rev. Quickwit, of a certain town in Maine, an eccentric but honest minister, was once preaching on the practical virtues, and having a short time previously bought a load of wood from one of the officers of the church, and finding it fell short in measure, took this occasion to speak thus plainly on the subject: "Any man that will sell seven feet of wood for a cord, is no Christian, whether he sits in the gallery, below, or in the deacon's seat."

CELEBRATION.
The Committee of Arrangements have adopted the following Programme, for the assembling of the Grand Division, and the great Temperance Celebration.
1. Grand Division session commences on Tuesday, the 15th Oct. at 10 A. M.
2. Grand Division meet at 9 o'clock on Wednesday, the 16th, at Temperance Hall.
